The Czech Republic in the Olympics

The Czech Republic in the opening ceremony with their flag. The Czech Republic compete in both the summer and winter Olympics.

The white part is the Czech Republic and the yellow part is the surrounding countries.

The Czech Republic has won 15 gold metals 17 silver and 17 bronze metals.

The Czech Republic most recently competed in Vancouver in the winter Olympics and the next winter Olympics is in Sochi.

The Czech Republic most recently competed in Beijing in the Summer Olympics and the next summer Olympics is in London.

The Czech Republic has never hosted the Olympics.

Famous Czech Olympians

Michal Michalik

Martina Sablikovaen

Favorite summer Olympic event

Swimming because it is one of my favorite sport to play in the summer

Favorite winter Olympic event

Biathlon because it is a challenging sport and takes many forms of fitness
